

The Diane Lupke Scholarship Fund

Make A Donation

A strong advocate for economic development initiatives in distressed communities, Diane Lupke, CEcD, is the President of Lupke & Associates, founded an education scholarship fund for economic development professionals. Scholarship recipients are given an opportunity to enhance their knowledge through participation in economic development training courses offered by the International Economic Development Council.

Lupke and Associates has worked in more than 75 communities to empower residents to recognize their assets and create change in their communities. Ms. Lupke is a long-time member of the International Economic Development Council and serves on the Board of Directors.

In giving to **The Diane Lupke Scholarship Fund**, you help economic development professionals working in distressed communities continue their industry education.
